Committee Report

Membership Regular 45 (including 12 life members)
Collegiate 3
Junior 10

Air Gun attending Still going with slow numbers. Covid has limited members

Rifle -Numbers down compared to last year
-Open monthly match in December showed slightly better numbers.

January match could have better attendance
-NRA not responding for Open Sectional Matches. CMP offering
Home Range Matches which are similar to the NRA Sectional

Matches.
Pistol Question if 2700 matches occurring at this time.
-We Should have two teams for the Friday pistol league.

Building New filters place in furnace.
-New pilot light for furnace next week
-Cameron asked if the security pictures of the firing lanes could be
added to the club computer screen. This would aid in running
matches when the Match Director is alone.

Junior 2 new shooters last weekend
- Planning on a fun shoot 1/16/2021

Action Pistol Reasonable attendance
Orion Air Pistol League to start the week of 1/25/2021

President Report

Air Pistol going OK
Open shooting – Saturday attendance is low
- Sunday is hit or miss

-Might see an increase in the future

Old Business

Meijer Games registration in open

New Business

2 new CPL instructors wanting to use the range. One to start this coming Wednesday evening (1/6/2021). The other instructor has not setup a date yet.

- Dan Simmons has said that he could hold a new gun owner class
- We are now affiliated with the Roger B Chaffee American Legion

Post for shooting.

- The Club could host the American Legion State Championship
- The Club will pay for the Orion league targets as it did last year.
- There are question about the air handler working correctly.

Cameron lead levels have increased with last testing. Cameron stated that He can taste lead when shooting. Normally small bore is fired on lanes 8 thru 12. Ron Carr stated that the system will be looked at again.

Next meeting February 1, 2021 at 5:30

Meeting adjourned at 6:43
