Motion Passes
- 7) Target Stands - TERRY + RAY

Motion to Ady RON CARR -
2nd Ryn -
Close 10:50

BOARD MEETING - OCTOBER 7, 2013

Next Board meeting on November 4, 2013 at 7:15 pm

It was decided that Range fees will be paid to the Range Officer before shooters go to their lane

A new cash box will be installed for depositing all collected fees

It was determined that air gunners, Tom, Jim and Gary, are paid through 2013 - Full dues will be due as of January 1, 2014

There was discussion about Web Site terminology (BB Guns, Veterans and the Junior program)

Range Officers will encourage all members to join the NRA

Discussion was held about those helping the Veterans program, needing to be club members

Emails will be sent to Range Officers concerning the new cash box and NRA memberships

Discussion held on Gun Show promotions and give aways - cards that along with \$5.00 would cover a days shooting fees (These cards should be given to only those we feel have a real interest in trying our club)

Discussion on Range Officer/Club Worker Rewards (Possibly cards for lane fees)

Discussion was held on changing the door lock and distributing new keys

Long range goals were talked about - possible improvements on the range and in the club room, as well as roof repair or replacement

Meeting adjourned

BOARD MEETING - NOVEMBER 4, 2013

Next Meeting : 12-2-2013

Discussion on range practices, fees and membership dues and how these changes have been accepted

Discussed restocking of First Aid Kits - improving access to them

Rockford Sportsman Club has requested to use our range for a 2 hand bulls eye league. They would need range time one day a week over a period of five (5) weeks. The hours of use would be roughly 5:30 to 8:00 pm. Their shooters would be charged \$10.00 per session. Shooters who may be members of our club would be charged \$5.00 per session.

Notices about annual membership renewals will be sent. A return label will be included to aid in prompt return. It was discussed that members not renewing by January 15, 2014, would be charged as a guest member and pay the lane fees on each visit.

Terry Dunn presented a list of 11 projects to be considered as goals to be worked on in the next five years. Board members were asked to list their personal opinions an order in which to tackle these tasks. With 7 members present, the task coming up number one with 6 votes was "Lounge sound proofing." Second with 5 votes was a target retrieval system. Third from the list was renovation of our restrooms with 4 votes.

Dan stated we should keep about \$10,000 for any unforeseen projects such as roof replacement or furnace work or other major expenses. This would leave us about \$6000.00 to be used on our five year goals.

Ryan should have some news about materials and money needed for our first project, at the December meeting.

Meeting Adjourned

BOARD MEETING - DECEMBER 2, 2013

Next Board Meeting - January 6, 2014

Jim Smith came to the Board with his concerns about money that has been donated for the Veterans Program. In the last year or two, the amount of funds he is concerned about, amounts to \$750.00. To date, there has been no special account set up for these monies. Dan McAdams stated that he will go back in the financial records of the Club, to show the receipt of these funds and that they were added to the Clubs General Fund. The Board feels that as long as we have these records, there is no need to create a separate account.

A motion was made and passed that the club purchase three Scope equipped Savage Rifles. The club will use the \$750.00 donated for the Veterans Program. Jim Smith stated that should there be any additional funds needed to make this purchase, he will personally cover any shortage.

It was noted that work must be done on updating the Club Web Site, concerning dues and current information.

Ryan reported on the progress of sound proofing the club room. He has located materials best suited for this project and it's installation by club members. The cost of these materials will be approximately \$2000.00. Before moving ahead, Dan Mc Adams will check on a possible second source of suitable materials and cost.

The board has decided to spend \$400.00, for sound proofing blankets to be installed on the doors between the range and club room.

A discussion was held concerning the possibility of increasing Open Shooting time. Different days and times were discussed, with Sunday possibly being the best day for increased Range hours.

At this time, it was decided that free memberships would not be given to new Range Officers as proposed by a member.
