

## ANNUAL MEETING - October 7, 2015

Meeting was called to order at 7:05 pm, with 15 members present.

Minutes of the 2014 Membership meeting were read and approved.

Ryan reported that Action Shooting will continue at the same times as last season.

Vern Bouws reported that he was looking forward to the Air Gun season and picking up new shooters.

James Mertes reported on the success of the Junior Program this past season and will be starting the 2015/2016 season on October 17.

Bob DaBakey and Terry Dunn talked briefly on the West Michigan Pistol League, and the success of individual shooters and teams.

Jim Smith reported that the 18th season of the Vet's program is under way and our inventory of rifles and ammunition is in good shape.

It was noted that Grand Valley Rifle Team has a new Coach for their program and will continue to use our facility.

Ron Carr said the Women on Target program is looking very good with good turn outs anticipated. Our Club will again be hosting the Meijer State Games, the third weekend in February. Ron has met with the West Michigan Sport Commission about our club hosting an event for the National State Games in the future.

Terry Dunn informed the members that our club made \$606.00 on the three 2700 matches held at the club. He is looking forward to holding three more matches this indoor season.

Dan McAdams gave a detailed financial report showing some income gains over the previous year. Our financial balance is \$19,508.00.

Nomination and Election of officers: For the office of President, **Ron Carr** was nominated and ran unopposed. Office of Junior Director, **James Mertes** was nominated and also ran unopposed. **Terry Dunn** accepted the nomination for Pistol Director and he also ran unopposed.

At this time in the meeting, the members gave a Special Thanks to Ryan Philips, for serving as Club President these past years, especially for his commitment of time and

work he has given the club.

The night for the monthly Board Meetings, starting in November, will be determined later.

A motion was made and approved to purchase a New Range Clock from Champion's Choice. The cost will be \$270.00.

A work date will be set to install the Sound Proofing materials, between the Range and Club Room.

There was discussion on ways to raise money for the Club by hosting events rather than using our battered plate machines.

Meeting was adjourned at 8:10 pm.
